1	As an international bidder based outside North Macedonia, we respectfully request an extension of the quotation submission deadline . Additional time would enable us to obtain manufacturer quotations and authorization, coordinate with potential local service partners, verify compliance with the technical	RFQ – Request for Quotations, Submission of Quotations, Paragraph 20	1	Please be informed that the request for extension of the deadline cannot be accepted. The request was received on October 10, 2026 at 09:06, on a non-working day. It was followed by a non-working day on October 12, 2026 due to a national holiday, so October 13, 2026 is the first working day after receipt of the request and the deadline for submission of quotations, set	Clarification

We therefore request that the Procuring Entity consider extending the deadline by at least 5–7 calendar days and notify all interested bidders of any approved extension through the appropriate procurement channels.		at 12:00. Quotations have already started arriving this morning. Given these circumstances, we are unable to extend the submission deadline at this stage. To ensure equal treatment of all Suppliers, the deadline for submission of Quotations remains unchanged: October 13, 2026, at 12:00 (local time, Skopje, North Macedonia), as stipulated in Paragraph 20 of the RFQ. (this refers to Lot 1 and Lot 2)	
2	In particular, we require the detailed technical specifications for both lots, including: 1. Detailed hardware specifications for the standard notebooks and business touchscreen notebooks, including processor, memory, storage, display, connectivity, operating system, and other mandatory requirements. 2. Quantities and delivery locations for each lot. 3. Manufacturer authorization requirements and the prescribed format, if applicable.	2	The questions have already been answered and the responses published, together with the corresponding amendments to the RFQ. All requested information is contained in the Request for Quotations (RFQ), Amendment No. 1, Amendment No. 2, Clarification No. 1 and Clarification No. 2, which are available free of charge. 	4. Warranty duration, after-sales support, installation, configuration, and maintenance requirements. 5. Price schedules, quotation forms, delivery timelines, and applicable contractual terms. 6. Requirements concerning authorized service facilities or local service partners in North Macedonia. 7. Bid submission instructions, including the designated email addresses, password-protection procedure, and all mandatory forms. We would also appreciate clarification regarding the quantity discrepancy for Lot 1, as the published notice appears to refer to both 80 and 81 standard notebooks.
