MULTINATIONAL ONLINE SEMINAR
Preparation Course to the CAMS® Certified Global Sanctions Specialist
(CGSS) Examination
ONLINE PROGRAMME
EDITION 1: 12 TO 16 MAY 2025
EDITION 2: 22 TO 26 SEPTEMBER 2025

Dear Madam, Dear Sir,

According to the European Commission "Sanctions are applied in order to promote international peace and security, to prevent conflicts, to support democracy, the rule of law and human rights and to defend the principles of international law" (European commission - Banking and Finance - International Relations - Restrictive measures (sanctions), n.d.).

This is on a political level. What does it mean for you, an AML / Compliance professional? How can you help your institution to be compliant and avoid sanctions?

"Sanctions are being used in ways never seen before" (ACAMS, 2021) and you as an AML or compliance professional must be prepared and equipped in order to master the concepts, legal frameworks, regulator expectations and to establish the best practices.

After the immense success of the past editions, the House of Training -ATTF has extended its partnership with ACAMS® to offer you 2 editions of the CGSS programme in 2025. This programme is an opportunity to acquire the knowledge needed to achieve your mission and gives you tools to accomplish it in the most professional way.

Therefore, we are pleased to inform that the Luxembourg Ministry of Finance agreed to support the participation of 25 **professionals from its partner countries** in the two editions of the programme "**Preparation Course to the CAMS® Certified Global Sanctions Specialist (CGSS)**".

The first edition will take place from 12 to 16 May 2025.

The second edition will take place from 22 to 26 September 2025.

These editions will be **offered entirely online. The exam, however, can be taken on a proxy controlled online format¹ or at a test centre** (this second option is highly advised), **which is available in most of our partner countries.** Selected candidates will receive more information in due time.
